

Part # BT-SPYRA

221104

Instructions

Assembly

1. Place Metal Pole (G) into Base (H).
2. Insert LED mechanism (D) into Metal Pole (E) and slide wire to the bottom of the pole.
3. Connect wire from Metal Pole (G) with wire from Metal Pole (E). Screw both Metal Poles together.
4. Place Table Top (A) over LED Mechanism (D) and Metal Pole (E).
5. Secure by placing Screws (B) and Washers (C) into Table Top (A). Fasten Screws (B) and Bolts (F).

Operation

1. Charge internal battery using Adaptor (I). Battery lasts 6 - 8 hours on a full 8 hour charge.
2. Push SPEED button to regulate color phasing between Slow, Medium and Fast.
3. Push ON/OFF button to turn LEDs on and off.
4. Push HOLD button to pause LEDs on specific color.

Part List

- 1 Table Top (A)
- 4 Screws (B)
- 4 Washers (C)
- 1 LED Mechanism (D)
- 1 Metal Pole for LED (E)
- 4 Bolts (F)
- 1 Metal Pole for Charge (G)
- 1 Base (H)
- 1 Adaptor 6Vac 500 mA (I)
